Join us in transforming lives of children and families in Mississippi by becoming a partner. You can be a leader in helping Mississippi's most vulnerable children through your support of Mississippi Children's Home Services (MCHS).

The mission of MCHS is to help children thrive and families flourish by providing a continuum of behavioral health, educational, and social services for children and families.

# PROGRAMS & SPONSORSHIP OPPORTUNITIES

## Light the Spectrum: Transforming Autism

Highland Village

April 1, 2016 • 6:30 to 9:30 p.m.

One in 68 children is diagnosed on the autism spectrum. Autism spectrum disorders are almost five times more common among boys than girls – with 1 in 42 boys identified. Autism is the fastest-growing serious developmental disability in the U.S.

The Light the Spectrum: Transforming Autism annual event provides the opportunity for companies and individuals to show their support of our work with children on the autism spectrum by serving as a sponsor for this event. In 2015, approximately 150 attendees enjoyed an evening of barbecue, great music and a silent auction. The proceeds raised during this event supports MCHS's autism services.

## Annual Wine Tasting and Silent Auction

Home of Jennifer and Rafe Hudson

April 30, 2016 • 7:00 to 9:30 p.m.

Our Annual Wine Tasting and Silent Auction is a premier event hosted each spring by the MCHS Auxiliary. Proceeds from the event benefit the programs and services MCHS provides for children and families. The wine tasting showcases fine wine and gourmet food pairings from some of the Jackson area's finest restaurants as well as a premier silent auction and fabulous live music. Sponsors of this event are invited to a VIP Preview Tasting.

## Children's Mental Health Summit

Hilton Jackson

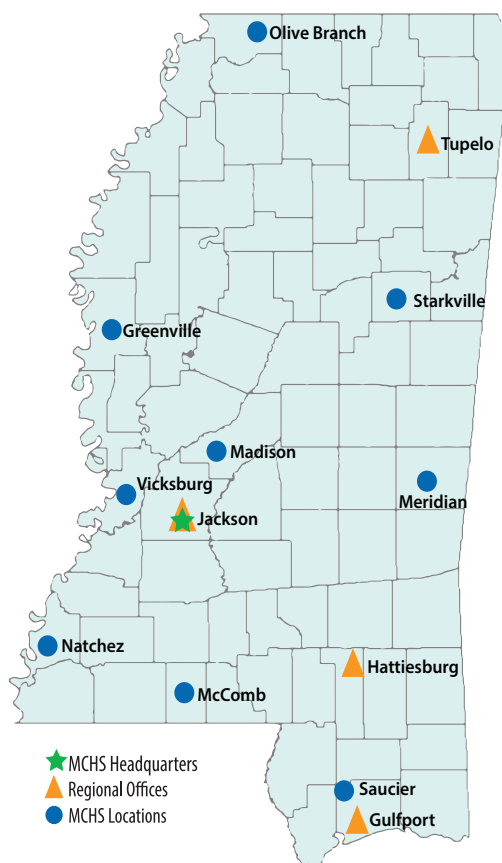

May 6, 2016 • 9:00 a.m. to 3:00 p.m.

One in 5 children, 131,000 Mississippi children, suffer from a mental health disorder. This growing problem illustrates the need to discuss the issues facing our young people. Each year on Children's Mental Health Awareness Day, MCHS offers an opportunity for individuals to hear from community, government and business leaders on the critical needs facing our children, families and state. Sponsors will be seen as leaders in providing support for children's mental health in Mississippi.

## MCHS Annual Celebration

September 2016 • 11:30 a.m. to 1:00 p.m.

Our Annual Celebration recognizes organizational and individual accomplishments from 2015, while also highlighting the organization's innovative initiatives. Chrysalis Awards are presented to leaders who have played an integral part in helping MCHS transform the lives of children and families in Mississippi.
