

## STATEWIDE SOLUTIONS

Canopy Children's Solutions (Canopy) provides a safe, nurturing environment for children and families in need of hope. As the state's most comprehensive provider of children's **behavioral health**, **educational** and **social service solutions**, Canopy supplies children with the necessary resources to overcome extraordinary circumstances. A continuum of evidence-based therapeutic programs supports children and families by providing individualized solutions for each unique problem to assure every child can be a success story.

### BEHAVIORAL HEALTH SOLUTIONS

#### Behavioral Health Clinics

The **Behavioral Health Clinic** serves children and youth up to age 21 years old with individual and family therapies. Providing access to evaluations, individual and family therapy, crisis prevention, and psychiatric services, the Clinic has a wide range of outpatient solutions. Canopy offers flexible scheduling for children and families. We accept most major health insurance plans and Medicaid. (Jackson, Hattiesburg, and Gulfport)

**Therapeutic Day Treatment Program** is for children who are struggling to maintain appropriate participation in traditional school setting due to behavioral or emotional problems. We bring solutions to a full range of challenges including depression, anxiety, defiance, trauma and aggression. Treatment is provided after-school. (Jackson)

#### Early Intervention Autism Clinics

The Early Intervention Autism Clinics provide an early intervention program for children ages 18 months to 8 years old diagnosed with autism spectrum disorder. The program utilizes Applied Behavioral Analysis (ABA) therapy, an evidence-based practice that focuses on behaviors. Within our Autism Clinics, Canopy provides parent training, as well as individualized therapy offered within the child's community and in a clinic setting. We offer consultation for school districts and daycare centers and in-service training for educators, social workers and related disciplines. (Hattiesburg and Jackson)

#### The CARES Center

The CARES Center is a private, nonprofit psychiatric residential treatment centers for children and adolescents with severe emotional and/or behavioral challenges. Our facility provides services for ages 6 to 17 for up to 60 children. Comprehensive services include intensive individual, group, and family therapy; medical services; therapeutic psychiatric and education services; and social skills training. The average length of stay for residential treatment is typically four to six months. Children treated in the CARES Center attend the CARES School located on site. (Jackson)

#### Intensive In-Home Solutions

##### Mississippi Youth Programs Around the Clock

(MYPAC) is an in-home and community-based solution offered in all 82 Mississippi counties that provides families with an alternative treatment plan to psychiatric residential treatment services for youth with serious emotional challenges.

## EDUCATIONAL SOLUTIONS

### CARES Day School Program

CARES Day Schools are fully-accredited, nonpublic, special purpose schools designed to meet the educational and behavioral needs of children whose behavior prohibits them from succeeding in a traditional classroom setting. The campuses are located in Jackson and Hattiesburg. Each school delivers an individualized plan based on the grade level and personal needs of each student.

The Jackson campus also includes state-of-the-art blended learning opportunities where students can pursue on-line courses tailored to their individual academic track within a traditional teacher-led classroom.

Each CARES School also offers specialized classrooms and consultations for children on the Autism Spectrum. (Hattiesburg, Jackson)
