Grant a Holiday Wish

Creating a partnership with Canopy to bring the gift of JOY to over 100 children, will brighten the hearts of each child in our care. Each child will complete a wish list. Your unwavering commitment to grant the wish of one or more children will help to make their holiday merry and bright.

Stockings Stuffers

Every child should have their own stocking to enjoy on Christmas morning. Provide a child with hope infused necessities and a holiday cheer stocking.

Twenty Four Nights of Christmas

Nestled in their pajamas, our children find joy in hearing a story of hope during a nightly story time throughout the 24 Nights of Christmas. This year, you can bring the JOY of Christmas to a child by delivering or spending time with them. You can bring your favorite Christmas story to be read by you or our staff, along with treats, craft sets, coloring sheets, or toys, and hot chocolate. Santa eagerly waits for his elves to assist him in delivering JOY to each child. (Jackson)

Holiday Party Delivered

Who loves a great holiday party? We do! You can provide delight to the children at Canopy by supplying treats, activities, and games to enjoy a fun-filled Yuletide Season! Simply deliver the food, beverages, and activity supplies to campus and we will handle the rest. (Jackson and Vicksburg)
